

Technology and Social Behavior Information Session

Please join us for a prospective student virtual information session on Northwestern University's Technology and Social Behavior PhD Program (TSB). This is a joint program in the Communication Studies and Computer Science Departments. Professor Matthew Kay, Director of Graduate Studies, will lead the session. Please register for the Zoom event below using the url or QR code. We hope to see you there!

Friday, October 30th, 2026 from 2:00 PM to 3:0 PM CDT. Register here:
